Head to the beach! With beautiful beaches around almost every corner, it won't take long to find a secluded spot for you and the family to lay your towels on. Bathing Beach is sheltered for swimming, catch a wave at Horseshoe Beach, or search for kai at Ringaringa. Kick off your shoes, take a stroll, look for unusual shells, watch the birds follow the fishing boats, sit and read a book or two, play games or help the kids build a sandcastle. Don't forget to take plenty of water, sunscreen and insect repellent!

Watch a movie. Shown three times daily at Bunkhouse Theatre "A Local's Tail" is a quirky 40 minute film about Stewart Island as seen through the eyes of Lola the dog. Have your questions answered and learn about the highs and lows of island pioneers past and present.
