

***Cruise ship passengers might like to ...
work on your handicap, aim for the jack, or check mate!***

Work on your handicap. Play a round on our 6-hole golf course atop the breathtaking setting of Ringaringa cliffs. You won't find any eagles here but you may spot the odd albatross or bag yourself a birdie. Clubs can be hired and green fees paid at the Post Office on Elgin Terrace.

Tours & Activities

Aim for the jack but avoid the ditch! Play a few ends on our all-weather bowling green on Ayr Street, right next to the museum. Suitable for all ages and abilities. Bowling gear can be hired from the Post office on Elgin Terrace.

Tours & Activities

Make a move on these once humble traffic cones - now Kings, Queens and Knights of the bay. Grand masters, aspiring Kasparovs and novice chess players should head to our giant outdoor chessboard on Halfmoon Bay waterfront for a brain workout. Find a mate and head to Elgin Terrace, beside the childrens' play area, or grab a take-away drink, find a bench, and watch the world go by!
